Celebrating Excellence with Our 10th Anniversary Edition

Dear trusted partners and friends,

For more than a decade, we have been proud to host "The World's Greatest Pools" award program, celebrating excellence in pool design and craftsmanship.

Once again, our Pebble Technology International® builders, sales professionals and applicator partners have risen to the challenge, this year contributing the highest number of photo entries in the program's history. All qualifying photos were judged by an independent panel of pool designers and editors from outdoor living and pool publications, on the basis of:

- *Outstanding pool design and craftsmanship*
- *Superior photo quality and composition*
- *Exceptional interest to readers, including to prospective pool buyers*

On behalf of the entire Oldcastle APG family of brands, we are honored to present the top scoring photos in this year's book. Each winning photo showcases a premium PebbleTec finish. However, many photos also feature our Lightstreams glass tile, PebbleTec Fire & Water products, and (new this year) beautiful Belgard pavers. Together, Oldcastle APG brand products make it easy for homeowners to create the outdoor living space of their dreams.

Thank you to all who have submitted projects for review. Please know that we appreciate the time you've invested in applying, as well as your continued support and use of our products.

We hope you enjoy paging through this year's compilation of "The World's Greatest Pools" as much as we have enjoyed creating it for you.

Best Regards,

Your Partners at Pebble Technology International and Oldcastle APG, Inc.

POOL FINISHES

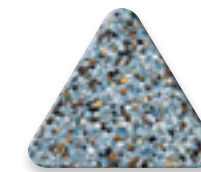

PebbleTec®
The Original

Our original pool finish provides a beautifully natural feel, featuring aggregate that incorporates the largest stones in our line.

PebbleBrilliance®
Elegant Infused Finish

This finish combines aggregate with vibrant glass beads and a blend of abalone and mother-of-pearl for a brilliant water color and a refined texture.

PebbleSheen®
Refined Textured Finish

Our most popular pool finish features a blend of slightly smaller pebbles for a more refined texture.

PebbleFina®
Enduring Smooth Finish

This exclusive offering uses finely ground natural pebbles to provide exceptional durability with a very smooth texture.

FINISH ENHANCEMENTS

Take customization to new heights with our unique offering of pool finish enhancements. Both our Luminous™ glass beads and Shimmering Sea™ blend of abalone and mother-of-pearl shells provide extra sparkle to any finish. Use of these enhancements is indicated throughout this book by a brand marking next to the pool finish name.

Extend your poolscape beyond the water's edge

Belgard pavers, coping and walls are the perfect complement to complete your PebbleTec oasis. The array of trend-forward textures and designs coordinate with any home's architectural style to create a cohesive look that effortlessly flows from one outdoor space to the next. From the pool deck to the outdoor kitchen, and any outdoor room in between, Belgard paves the way.

Photo: Lafitt® Grana Slab and a contrasting band of Holland Stone pavers create a contemporary look to pair perfectly with the Mega-Tandem™ Cap Coping.

See more Belgard Pavers on pages 25, 175-181 and 185.

The contrasting shape of Marina™ Coping pairs perfectly with contemporary Moduline® Plank pavers to add visual interest to this monochromatic design.

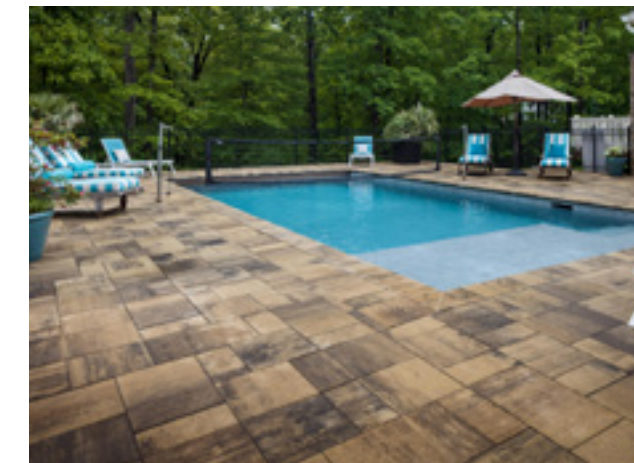

This poolscape's natural stone aesthetic is created by Lafitt® Rustic Slab and Urbana® Stone, Coventina™ Coping and Ashlar Tandem™ Wall. Tru-Scapes® paver lights add to the ambiance.

Featuring the rustic look of aged barnwood, Mirage® Noon porcelain pavers lead the eye to the water's edge and an elegant, chiseled-stone backdrop of Mega-Tandem™ Wall.

Geometric patterns of Mirage® Quartziti 2.0 porcelain pavers create a striking look that emulates the subtle texture and iridescence of natural quartz.

Coordinating warm color tones of smooth-faced Melville® Slab pavers and Marina™ Coping add a rich, dramatic look to enhance this pool design.

The classic pillowtop surface of Cambridge® Cobble and London® Cobble pavers combine with bullnose Marina™ Coping to create a timeless pool deck design.

Mirage® porcelain pavers in Verona™ face style emulate the complex variegation of natural stone to create distinctive contemporary outdoor living design.

This outdoor room with a view is highlighted by a pool deck of Mega-Libre® pavers, featuring textures and patterns that mimic natural flagstone.

Travertino™ pavers mimic natural travertine and are highlighted by the contrasting tone and smooth texture of Marina™ Coping borders to create an elegant look.
